About Us

We are looking for a dedicated, enthusiastic and motivated leader to join our team as Mill Supervisor at South West Lancashire Farmers (SWLF).

In this role you will be responsible for the safe and clean production of animal feed, including carrying out specific operations within the production process such as: intake, plant cleaning and basic maintenance.

We are looking for someone with high standards, who can lead a team to ensure accuracy while working in a fast-paced environment. An ideal candidate may also be flexible with their schedules in order to keep with the ever-changing environment.

Preferably applicants would have previous experience within a mill environment. An interest or background in agriculture would be advantageous.

Key Responsibilities

- Maintain maximum output and production flow.
- Adherence to safe working practices and Health and Safety instructions.
- Responsible for housekeeping to the highest standards.
- Responsible for completion of all necessary paperwork.
- Keep production sheets and figures and send a report each month to relevant parties.
- Lead and oversee your team throughout their employee lifecycle to ensure the team runs effectively.
- Ensure all training is relevant and up to date for the department.

If you think you have the skills and experience we are looking for, we would love to hear from you!

Here at the BATA Group equality, fairness and diversity are the foundation of our organisation. We are proud to be an equal opportunity employer who is fully committed to a policy of treating all its employees and job applicants equally. We value the differences that a diverse workforce brings to our organisation and encourage applications from everyone.

Due to the high number of applications if you have not heard from us within 14 days from submitting your application, please assume you have not been successful on this occasion.
